

September 9, 2016

Dear Dr. Farid Moore,

I sincerely appreciate your considerate cooperation with the ASPA activities.

It is a great pleasure to announce that the first result of ASPA Awards 2016 is finally released. This year, four companies with higher scores are shortlisted as the finalists of ASPA Awards 2016 and are invited to the 20th ASPA Annual Conference to make their final presentations. I am happy to inform you that IsDynamic, the company your organization nominated, is one of the finalists for ASPA Awards 2016. The selection of one Grand Prize and three Excellence Prizes will be made by the final evaluation on October 20.

Sincerely yours,

Sunkook Kwon
